SUPER FLEA MARKET RULES & REGULATIONS:

Dealers are NOT permitted to break down their display or load-out their materials before the close of show hours. Dealers are required to display merchandise and oversee their booth for the duration of the show both Saturday and Sunday; unless the Super Flea Market Manager has granted prior special permission in writing. Violation of this rule may result in cancellation of current or future dealer booth space.

Dealers acknowledge and agree that this application for booth space in the Super Flea Market does not guarantee dealer will be allotted a booth space nor does it guarantee a specific booth space will be assigned.

The Greensboro Coliseum Complex d/b/a Super Flea Market reserves the right to decline any dealer application for booth space. **The Greensboro Coliseum Complex d/b/a Super Flea Market also reserves the right to prohibit the sale of any specific merchandise, which, in the sole judgment of the Greensboro Coliseum Complex, is determined to not be in the best interest of the City of Greensboro, the Greensboro Coliseum Complex or Super Flea Market.** Dealer may be asked at any time to immediately cease the display of or sale of specific merchandise.

Full payment for booth space must be received no later than 5:00pm, ten (10) days prior to the opening of a show. If full payment has not been received by said deadline the Greensboro Coliseum Complex and Super Flea Market retains the right to cancel dealer's booth space, and to retain any non-refundable deposit previously paid. *In addition, if dealer has not arrived at the show, has not loaded-in, or is not ready for business by 9:00a Saturday morning the Greensboro Coliseum Complex and Super Flea Market may cancel dealer's booth space and retain full amount paid.*

Booth space location is not guaranteed to any dealer. The Super Flea Market management, to the best of its ability, will assign booth spaces based on dealer requests. If a dealer application and payment of booth space fee for an upcoming show is not received within ten (10) days after previous show, dealer waives their space request.

Dealers must set their space in an attractive manner and stay within their space boundaries. Super Flea Market management retains the right to insist that a dealer re-set any items/tables that are not within their allotted space boundaries.

If a dealer application is approved, dealer agrees to follow all the rules and regulations of the Super Flea Market.
